

Your apprentice job overview

Project Management Apprentice

NatWest
Group

Business area:
Digital X - Data & Analytics

The job you'll be doing:
Project Management Apprenticeship

The skills you'll need:

Job title:
**Project
Management
Apprentice**

Hours per week:
35

Location:
Edinburgh

Salary:
£25,020

We are the team that will harness our customer data, in a safe and meaningful way to help make our customers lives easier. In Data and Analytics, we keep data at the heart of everything we do. Good data engineering helps us to get to grips with the data we have, and profile the key features that we can use to power our data science models. And in Data Science, we can apply statistics, computer science and problem-solving skills together with strong research methods to test, learn and optimise machine learning powered decisions. As an Apprentice in Data & Analytics, we'll equip you with the knowledge, skills and experiences you'll need to make a significant impact through your work and become a leading data expert.

You'll learn to:

- Monitor your projects, tracking everything from budget to quality through the project lifecycle
- Plan project delivery, schedule activities, identify risks and opportunities, to develop and maintain resource plan

You'll also:

- Support development of Project plans (resources & financials)
- Get involved in assuring risk, issues and dependencies
- Use Data Analysis to support decision making
- Use of Project Management tooling
- Involved in running Stand ups, Scrums and PI Planning

We're looking for people with a passion for learning and high levels of determination, motivation, and drive to succeed. You'll have strong communication, stakeholder management and interpersonal skills with the ability to build, maintain and enhance relationships at all levels.

You'll also need:

- The ability to maintain a strong customer focus.
- An innovative and creative mindset
- Good problem-solving skills and a proactive and inquisitive mindset, with the ability to challenge and offer solutions
- An analytical, numerate, and logical skillset with the ability to adapt well to change
- Good planning and organisational skills with the ability to prioritise and manage your time effectively
